

Project Officer for Advocacy (m/f/d)

in Davao, Philippines

We are looking for a Project Officer for Advocacy, based in Davao, Philippines, starting from May 1, 2024

Who we are

forumZFD supports people involved in violent conflicts on the path to peace and strives to help overcome war and violence.

forumZFD is currently working with peace consultants in Germany, as well as ten other countries in Europe, the Middle East and South East Asia. Its Academy for Conflict Transformation offers a learning space for professional, international peace work. Through dialogue events, educational work and campaigns, forumZFD actively advocates civil peace policy.

forumZFD is recognised by the German federal government as a member of the Civil Peace Service (CPS) consortium. It finances its work through public and private grants, donations and membership fees.

Background

The island of Mindanao in the Philippines is the theatre of various, intersecting, violent conflicts. One is the conflict between the Moro Islamic Liberation Front (MILF), a group seeking self-determination for the Muslim inhabitants of Mindanao and the Philippine Government. At present, a peace agreement between the MILF and the Government is being implemented. Another is the decades-long communist insurgency of the Communist Party of the Philippines-New People's Army-National Democratic Front of the Philippines (CPP-NPA-NDFP), which seeks to transform Philippine society and overthrow the government. Both these major political conflicts intersect with more localized violent conflicts stemming from natural resource extraction, clan feuds, land disputes, among others, shaping the conditions on Mindanao.

In the Caraga region, forumZFD has been indirectly working on the conflict between the CPP-NPA-NDFP and the GPH through projects that strengthen the use of non-violent conflict transformation methods to deal with local conflicts and that work towards building a peace constituency. forumZFD recognizes the need to approach ending the conflict through non-violent means, and so advocates for an alternative, nonmilitarized approach, including the resumption of peace negotiations.

The Project Officer for Advocacy will support the Project Manager in developing an advocacy strategy to call for sustainable non-violent alternatives (including peace talks) to bring an end to the armed conflict between the GPH and the CPP-NPA-NDF.
